ODYSSEY INDUSTRIAL CLEANING SOLVENT

Sealweld Odyssey Cleaning Solvent is a synthetic industrial cleaning solvent. This product is excellent at removing heavy deposits of grease, lubricant, and heavy oils, as well as sludge and dirt from metal parts.

Odyssey Cleaning Solvent will not harm metal, most types of rubber, plastic or concrete. It is excellent for dissolving asphaltene build-up and has many other uses in the industrial marketplace. **Odyssey Cleaning Solvent** does not contain water and is not water-soluble, on the contrary, it leaves behind a protective barrier that inhibits spot rust. This non-flammable, non-hazardous, and non-polluting solvent is as safe for the person using it as it is for the environment.

- Use as a valve body flushing solvent for siezed or hard-to-turn valves
- Non-Flammable
- Non-Hazardous
- Non-Polluting

PRODUCT SPECIFICATION

Temperature range	- 79°C to + 81°C
	- 110°F to + 178°F

SIZE

45 gallon drum	420969
5 gallon pail	420971
4 ltr. bottle	420970
Spray bottle	420469
